

>> If you buy at
SAM online stores,
you buy directly
from the
manufacturer.

To be able to meet the growing demand of our customers in terms of regular stock or custom produced

This allows us to distinguish ourselves from our competitors in a way that is rarely seen in the markets

All feedback we receive from customers, can directly be translated into product improvement, innovation

Our own manufacturing facilities also allow us to excel in custom production. Where in most cases this

[Read more about the advantages of buying directly from the manufacturer.](#)

Nobody produces more custom size boards than we do. In the whole of Europe.

>> Shortest lead times
>> Best prices
>> Any quantity from 1 to 1.000
>> Many, many options!
